A Reminder for Parent's and All Spectators to remember that our children are not Premier League players.

Congratulations to our U8 Black Team for winning their Cup Final. Also, **Good Luck** to our U9 Black Team who have made it to the Final of their Cup Competition. Fantastic achievement by both teams.

Message from our Chairman

I've had the pleasure this season to be able to watch and enjoy a number of games (even take control of an U8's game ... Thanks Sam), and I've been extremely impressed with the continued high level of commitment from all the players and of course the Manager's for all their hard work and time they put into their teams throughout the season.

Thank you to all parents also for your support and encouragement. Having been a Manager and taken a team from U6s through to U18s, it's a great confidence boost to the players having your support from the side lines.

As a Club we are run by a few volunteers, who over the years have dedicated their time and effort to make sure the Club runs smoothly and ensure that all players develop to the best of their abilities in a safe environment. We are always looking for more volunteers to come on board to help out. One area we need help with is the running of the kitchen on a Sunday morning. There are not many Clubs that give you the opportunity to grab a bacon roll and a cup of coffee on a cold wet Sunday morning. This is also a great opportunity for us to raise much needed funds to go towards the running costs of the club. All it takes is 2-3 hrs of your time and if we can get a good number of parents to come forward then it would work out to only few times a season. Please contact Tracey Akehurst if you are able to help.

Thanks for your continued Support **Darren Pettifer**
