Tea Cabin Volunteers

We need volunteers to help run the Tea Cabin on match days. Last season we struggled with just a few volunteers from the U12 teams coming forward. Next season those parent's will not be available to help as their team will be moving to the pitches at John O Gaunt School on match days. It is essential that we get volunteers from all age groups in order to provide this excellent facility to both our Spectators and those visiting from other teams. Without help we will have to close it down and lose the funds raised which go towards the running of the Club. The more volunteers we get the less sessions each person will do. Please email: traceya2000@hotmail.co.uk If you can help.

Welcome to the Start of the 2019-20 Season

I hope you all had a great Summer break and are ready to get back into the Football Season. We had a beautiful day for the first matches and it was great to see so many excited faces making their way up to the pitches.

A very big welcome to our new U7 team who will be playing matches in the league for the first time. Remember football should be fun so go out there on match days and enjoy yourselves. Thanks to Mark Berry who has kindly volunteered to be the new Coach for the U7's and to Darren, our Chairman, who is helping out with the team while Mark attends his courses.

We also have to say welcome and good luck to our new U10 Red team. This will also be the first time for these children playing in the League, so again go out there and enjoy yourselves. Thanks to Ben Page who has stepped in as Coach to help out at training and to parent's Michelle & Marc Tallack and Gary Chesters who have kindly volunteered to help Ben out and take the team on match days.

Sadly, our plan to start an U12 team did not work out as we could not recruit enough players, but thank you to Matt Lamb for volunteering to be Coach and trying to get the team together. We wish you luck for the future.

Finally, we are also sad to lose one of our U13 teams. Wayne Dumelow has been the Coach for this team since they started at U6's and has done an outstanding job. Unfortunately, it has become increasingly difficult to retain and recruit players once they go to Secondary School and join new Clubs. We are so pleased that Wayne will be staying with us and Coaching the remaining U13 team alongside Alistair Dornan.
